

**PAK-AUSTRIA
FACHHOCHSCHULE:**
INSTITUTE OF APPLIED SCIENCES AND TECHNOLOGY

Lab 2: Advanced Microsoft Word Tasks

Task: Professional CV

Name: Eshal Ayub

Roll Number: B25F1061AI100

Instructor: Engr. Sibgha Noor

Course: ICT Lab

Dated: 16-10-2025

ESHAL AYUB

Email: eayub006@gmail.com | Phone: +92 3329466454 | LinkedIn: linkedin.com/in/Eshal

Professional Summary

Highly dedicated BS Artificial Intelligence student with a solid grasp of computational physics, data analysis, and visual computing. Skilled in Python programming and digital illustration tools. Enthusiastic about research exploring how AI can enhance creativity, learning, and scientific understanding.

Education

Degree	Institution	Year	Grade
BS Artificial Engineering	Pak-Austria Fachhochschule: Institute of Applied Sciences and Technology	2025–2029	N/A
F.Sc Pre-Engineering	PIPS College	2024	A1
Matric	PIPS	2022	A1

Technical and Creative Skills

Programming: Python, C++, MATLAB, Scratch
AI Tools: TensorFlow, OpenCV, ChatGPT API
Design & Art: Procreate, Canva, Adobe Illustrator
Other Skills: MS Office Suite, Data Visualization, Network Basics

Experience

- Intern: Creative Computing Lab, 2025
- Assisted in developing AI-based art applications
 - Helped analyze data from visual recognition projects
 - Designed digital posters to present project results

Projects

- Created a model that blends color theory with generative AI to produce abstract art pieces.
- Developed visual simulations to demonstrate motion under constant acceleration.

- Built and curated an art page integrating aesthetic design principles with algorithmic scheduling for social media growth.

Certifications

- Python for Everyone – Coursera (2023)
- AI for Artists – edX (2024)
- Microsoft Office Specialist – (2023, Certified)
